TWO-METRE WSJT JT44 OPERATION

Hal Lund ZS6WB reports that at 20:00 on Monday evening, 14 April, 144,240 MHz sounded like music with several stations calling on JT44. The Division 4 stations especially have taken to 144 MHz JT44 in a big way and are doing extremely well. On Monday evening stations heard (and all copied very well) were ZS4PV, ZS4SS, ZS6ANZ and ZS6HS. Most are running relatively low power with modest horizontally polarised Yagi antennas.

144,240 Mhz is becoming a bit crowded and it is suggested that we start spreading out a bit. A method used in the United States that might work is when you call CQ on 144,240 specify D5 or D10, then look for replies down 5 or 10 kHz as requested and when you hear a reply also move to that frequency.

SA AMSAT PRESENTS AMSATCON 2003

The SA AMSAT Amateur Radio Satellite Conference will be held on Saturday 24 May at the National Amateur Radio Centre in Gauteng.

WorldSpace Southern Africa has in addition to a R5 000 sponsorship for the conference, also made a WorldSpace satellite receiver available, which will be the main attendance prize for delegates attending the conference.

Papers already accepted for the programme include: Weather Satellites for Schools, Reception of weak signals and Getting up and running an OSCAR 40 station. The closing date for papers was Tuesday 15 April.

If you would like to attend this conference visit the SARL Website at www.sarl.org.za for details or send an email to saamsat@intekom.co.za to request conference documentation and regular updates.

RAE ENTRIES

A total of 88 candidates entered to sit for the RAE on the 17th May. The list of examination numbers and examination centres is available on the web site of the SARL. Each candidate will soon receive his examination number and a licence application form by surface mail.

ROAD SAFETY DURING THE EASTER WEEKEND

Many people in South Africa will be taking to the roads during the Easter Weekend as well as the long weekend following it. Radio Amateurs across the country are asked to monitor the preferred Hamnet frequencies and provide assistance when requested. Please drive safely if you are taking to the roads and enjoy the break.

SARL HAMNET CONTEST

The annual SARL HAMNET 40-metre Simulated Emergency Contest was held on Sunday 13 April. The 40-metre band was noisy but it was possible to make contact with stations in the ZS1, ZS2, ZS4, ZS5 and ZS6 call areas as well as 7P8. The bulletin compiler did not hear stations in any of the other areas. From reports received ZS5ZLB made 50 plus contacts during the two-hour session. Log sheets and summaries must be posted or emailed by 28 April to the NARC. Thanks to everybody who participated.

RADIO ZS

The editor of Radio ZS is awaiting contributions for the next issue. This includes items from the regular contributors and news from branches and clubs. Articles can be sent in text format, MS word or WordPerfect format to radiozs@sarl.org.za.

A CALL FOR CONTRIBUTIONS TO THE HOME CONSTRUCTION OPEN DAY.

As announced before, a Home Construction Open Day will be held at the West Rand Amateur Radio Club on Saturday 28 June. In order to provide for a variety of technical topics, contributions of a technical nature are called for. It is intended to cover a range of projects from power supplies, transmitters, receivers, antennas, measuring equipment and antenna coupling devices. The Southern African Antique Wireless Society will also be meeting during this Open Day. Should you have any novel topic to present, please contact Sid Gabriel

ZS6GQ, who will co-ordinate the talks for this event. His phone and fax number is 011-867-2039.

BOLAND AMATEUR RADIO CLUB WEB PAGE

The Boland Amateur Radio Club's web site can now be reached at www.qsl.net/zs1bak

On the website you will find a lot of information about BARK such as the membership list, birthday list as well as many photos of amateur radio related events. Visit the web site and sign the register. The webmaster is Deon ZS1G and he can be contacted at zs1bak@mailbox.co.za

NEXT INTECNET ON MAY 18

The next INTECNET will be held on Sunday 18 May. Diarise the date and get your club connected to the network. Send details of the telephone number to be connected to the Teleconference Bridge and the call sign of the repeater to be linked to armi@sarl.org.za.

NEW METHOD OF NEWS SUBMISSION

A new method for the submission of items for SARL News bulletins has been made available on the SARL website. Visit www.sarl.org.za/newsinbox.asp and type or paste your previously prepared news item in text format into the space provided. On submission the news item will be sent to the various bulletin compilers.

CLUB NEWS

The Overberg Amateur Radio Club held its Annual General Meeting on Saturday 12 April at Hermanus. The previous committee was re-elected, except for Len ZR1VR who was not available for re-election as vice chairman. We wish the team all the best for the coming year. A motion to affiliate with the SARL for a further year was unanimously accepted.

DIARY OF EVENTS

Make a note of the following dates in your diary.
